Fully Engaged : Cultivating 12 traits that help every child thrive!
Melissa Hannigan

Everyone has an idea of what homeschooling is "supposed" to look like. The reality is often very different. Find grace for yourself in this unique session. There are 12 traits that most successful people possess. Learn what each trait is, how to identify it in your child and how to cultivate each. We will also examine how to ensure that each quality is awakened and not discouraged. This session is sure to start you thinking outside of the box about what schooling really looks like!

8:00pm - 8:30pm

The Homeschool Curriculum Roadmap
Tina Hollenbeck

Did you know there are over 4500 homeschool curriculums? This can be overwhelming for sure! The Homeschool Roadmap is an unbiased source to find curriculum based on a variety of factors. Don't be overwhelmed, we will walk through the website and also introduce you to a tool that can make the selection process easier. This session will help you save time and money!

8:30pm - 9:30pm

Piecing Together The High School Puzzle
Joanne Mastronicola

This workshop discusses credits, course content, transcripts, graduation, college admission requirements, vocational preparation, ways to deal with classes for which you do not feel qualified to teach, earning high school credit in middle school, volunteer hours, sports, working toward scholarships for college and much more.

Welcome and Introduction
FPEA Staff

8:30am - 9:15am

Homeschooling Beyond the Rules
Connie Albers

The adolescent years can be a difficult time of transition for parents and teens, there is hope. You can parent well and build a stronger relationship even through the teen years. In *Parenting Beyond the Rules*, you will discover how to raise a teen according to his or her strengths, talents, and personality type, as these things equip teens to manage life.

9:15am - 10:00am

Choosing the Right Curriculum for Your Family
Janice Campbell

With so many options to choose from in the curriculum, it can be challenging to find the right one for your family. Let Janice walk you through how to ensure that you have the right option to ensure success for your journey!

10:00am - 10:45am

Off The Bench

How your family can get on the front lines in the battle for faith, family and freedom
Heidi St. John

"I see the threats, but I don't know what I can do!" If this describes you, you're not alone. Most parents today see big problems on the horizon but are not sure how to make a difference in the battle. Join Heidi St. John as she teaches five ways you can get off the sidelines and onto the frontlines. Learn to engage and encourage others to do the same.

10:45am - 11:30am

A Tale of Two Homeschoolers
Todd Wilson

Years ago, a homeschool mom came up to me with a pen in hand and a notebook in the other and said, "I believe that the relationship with my children matters more than anything else. ... So can you tell me what 'relationship' is?" I didn't have a great answer at the time, but I do now. Join me as we look at two homeschooling moms. One spends her days doing what matters and one spends her days on what does not last. My desire is to help you and me do what matters.

11:30am - 12:00pm

Session Q&A
Connie Albers, Janice Campbell, Heidi St John, Todd Wilson

SESSION 3 : THE HOMESCHOOL ODDYSEY

SATURDAY
JULY 25, 2020
1:00pm - 5:00pm

1:00pm - 2:00pm

8 Great Smarts
Dr. Kathy Koch

All children have eight intelligences that can be used when learning. Each one will be defined and illustrated. Learn how to help your children learn with all 8 and how they are relevant to academic success, spiritual growth, obedience, and career choice. Stop asking, "How smart is my child?" and ask "How is my child smart?"

2:00pm - 2:30pm

Why Nature Studies Matter
Sherri Seligson

It is most parents' nightmare. As those teen years approach, the impending need to teach science often creates fear for students and parents alike. Do they really have to learn this stuff? This workshop will not only take the fear out of teaching science but will create excitement and enthusiasm for everyone. Get ready to meet your inner science geek and help prepare your teens for their future.

2:30pm - 3:00pm

Nurturing Creativity and Innovation
Connie Albers

Every child is born with a desire to create and innovate. But if they aren't careful, that can quickly disappear when formal education begins. How can parents cultivate their child's natural curiosity throughout the day without causing chaos? How can disruption lead to innovation? Join Connie as she shares how to discover and develop creativity and innovation in your homeschool.

3:30pm - 4:00pm

You Can Do It
Sherri Seligson

"How do I get it all done?" That seems to be a common frustration for homeschool mothers. Though juggling the educational needs of multiple children while maintaining a household can certainly be a daunting task, there are several strategies which will help moms to navigate their school year and still keep an organized home. Even though we will not see perfection this side of heaven, it is still possible to teach algebra, have dinner on the table by 6:00, and be able to find your sunglasses all in one day!

4:00pm - 4:30pm

Teaching Politics and Cultural Issues
Massey Campos

In a culture where so many are shamed for speaking up or labeled hateful for having an opposing viewpoint, it is critical to be empowered with tools to help share your worldview more effectively. It is also critical to be empowered with the understanding of why we MUST be able to communicate about liberty.

SESSION 4 : THE HOMESCHOOL ODDYSEY

SATURDAY
JULY 25, 2020
6:00pm - 10:00pm

6:00pm - 7:00pm

Becoming Momstrong
Heidi St. John

Today's mothers are living in challenging times. We're facing things that our mothers could never have imagined. Our lives are vastly different than the generation before us. Many moms are struggling with fear of the future and worry about raising children in today's culture. Your mission (should you choose to accept it) is to raise the next generation of teachers, doctors, judges, police officers, grocery store clerks, attorneys, nurses—and parents. Heidi will challenge as she talks about what it will take to "Become MomStrong" — drawing on truths from God's Word to answer the tough questions this generation of kids is asking — and prepare moms to meet the challenges head-on.

7:00pm - 8:00pm

Choose the Hard Things
Todd Wilson

Homeschooling is hard, parenting is hard, and marriage ... well, that's way hard. and that's normal. Trouble is we don't like hard. We want easy, fast and cheap, and at the same time we want successful results. During this hour, you'll laugh with Todd as he shares how to embrace the hardness while keeping your eye on the joy and experiencing God's best for you.

8:00pm - 9:00pm

Five to Thrive
Dr. Kathy Koch

Your children have five legitimate needs that drive their wants, choices, actions, and attitudes. (You have the same five needs.) When God meets their needs, your children will be whole, emotionally well, content, and so much more. Learn how to parent so their needs are met in God and other healthy ways. You'll be refreshed by Dr. Kathy's practical problem-solving approach to problems your children may be having.

9:00pm - 9:45pm

Real Talk "Ask Me Anything" Q&A
Dr. Kathy Koch, Heidi St. John, and Todd Wilson

SESSION 5 : THE HOMESCHOOL ODDYSEY

SUNDAY
JULY 26, 2020
9:30am - 12:30pm

9:30am - 10:30am

Culture Shock
Heidi St. John

Many parents are struggling to talk to their kids about the rapidly changing cultural landscape, and we often forget that God's unchanging Word offers relevant answers to even our most challenging questions. It's more important than ever to teach our children what God says about their worth, their sexuality and their future. Join Heidi as she will challenge and encourage you as she speaks directly to the issues of the day and reminds you of your role in the midst of it all: to teach your children to walk in the Truth.

10:30am - 11:30m

Live Liberated: Freedom is Real
Massey Campos

History continually proves that 1 person can change an entire nation and/or culture. With the growing mountain of issues Americans are facing the question of, "What Can 1 Person Do?", become more and more prevalent in our mindset. The ultimate question then is, what can you do to preserve freedom?

11:30am - 12:30pm

Resiliency
Dr. Kathy Koch

Resiliency, bouncing back quickly from difficulties, starts as a choice. It can become a part of who we are. It must! Dr. Kathy will explain the many benefits of resiliency so you'll be highly motivated to parent so your children develop this quality. The suggestions will work and you will be able to create an environment that makes resiliency more likely. We and our children must recover from trauma and stress.

SESSION 6 :
THE HOMESCHOOL SUNDAY
ODDYSEY JULY 26, 2020
1:00pm - 3:30pm

2:00pm - 3:00pm

Starve the Fear

Connie Albers

3:00pm - 4:00pm

First Time Obedience

Dr. Kathy Koch

Strong-willed children and others can struggle to be obedient. They may choose to debate, argue, and delay instead. Learn the four foundations of obedience and several strategies that can immediately improve your relationships and children's behavior.

4:00pm - 5:00pm

Fostering the Hate of Learning

Todd Wilson

I've listened to many experts and authorities talk about fostering a love of learning, but until now, no one has talked about fostering a hate of learning and yet so many of our learning systems, philosophies, and curriculum do just that. Join me as we take a painfully honest and funny look at the top ways to foster the hate of learning. We'll look at what we've been told and why it does the very thing we're trying to avoid. BTW: Your kids want you to listen to this one!
